

RAZPIS ZA LOGOTIP, PLAKAT IN SLOGAN ERASMUS+ PROJEKTA KRATKI FILMI ZA ŠOLO IN EVROPO

V tem šolskem letu smo na SŠD začeli z novim projektom Erasmus+ *Kratki filmi za šolo in Evropo*. Pri tem bomo sodelovali s partnerskimi šolami s Portugalske, iz Belgije, Litve, Italije in z bližnjo OŠ Venclja Perka.

Ena od nalog je tudi izdelava logotipa, plakata in slogana. Pri izdelavi logotipa bo vsaka šola izvedla natečaj in izbrala tri logotype, s katerimi bomo kandidirali za logotip projekta. Natančnejsa merila za izdelavo logotipa je pripravil naš učitelj Miran Kreš, temu pa je dodal še Power Point predstavitev, kjer so merila obrazložena.

Dijaki lahko sodelujete neglede na razred ali smer. Nekateri učitelji bodo delali z vami pri pouku, lahko pa se natečaja udeležite tudi individualno.

Rok za oddajo predlogov logotipa je do 21. 2. 2021. Predlogi morajo biti oddani v elektronski obliki v spletni učilnici *Erasmus+: Short Films for School and Europe* na naslovu
<https://ucilnice.arnes.si/course/view.php?id=3615>

V naslednjem tednu si bo komisija, sestavljena iz članov projektnega tima naše šole predloge ogledala in izbrala tri najobetavnejše. V naslednjem koraku bodo avtorjem predlagani popravki oziroma bodo predlogi še spremenjeni v vektorsko obliko. Avtorji teh predlogov bodo imeli tudi prednost pri udeležbi na izmenjavah (žal se v fizični obliki v tem šolskem letu ne bodo izvedle).

Podobno velja za plakat in slogan, le da bomo tam izbrali le en predlog.

CALL FOR LOGO, POSTER AND SLOGAN ERASMUS + PROJECT SHORT FILMS FOR SCHOOL AND EUROPE

This school year, we started a new Erasmus + Short Films for School and Europe project at our school. We will cooperate with partner schools from Portugal, Belgium, Lithuania, Italy and the nearby Vencelj Perko Primary School.

One of the tasks is also to make a logo, poster and slogan. In making the logo, each school will run a competition and select three logos to apply for the project logo. More detailed criteria for making the logo were prepared by our teacher Miran Kreš, and he added a Power Point presentation, where the criteria are explained.

Students can participate regardless of class or program. Some teachers will work with you in class, but you can also take part in the competition individually.

The deadline for submitting logo proposals is 21 February 2021. Proposals must be submitted electronically in the Erasmus +: Short Films for School and Europe online classroom at

<https://ucilnice.arnes.si/course/view.php?id=3615>

Next week, a commission consisting of members of our school's project team will review the proposals and select the three most promising. In the next step, corrections will be proposed to the authors or the proposals will be changed to vector format. The authors of these proposals will also have priority in participating in exchanges (unfortunately they will not be implemented in physical form this school year).

The same goes for the poster and slogan, only we will choose only one proposal there.

For more information about the project, you can contact Marko Majce (marko.majce@ssdomzale.si) or Nina Skube (nina.skube@ssdomzale.si), and for help with creative dilemmas and technical implementation, here are Miran Kreš ([miran.kres @ ssdomzale.si](mailto:miran.kres@ssdomzale.si)) and Rebecca Svetina (rebecca-jo.svetina@ssdomzale.si).
